This Memorandum is made and entered into this day between Queen Mary University of London and Universidad de Antioquia.
By means of the Memorandum, Queen Mary University of London and Universidad de Antioquia agree to seek to develop joint activities and programmes for the purpose of facilitating academic exchange and cooperation in the broad field of Cancer Prevention.

Joint activities included in this Memorandum may include:

1. Collaborative teaching
2. Collaborative research
3. Exchange of academic staff
4. Exchange of research fellows and students
5. Exchange of publications
6. Visiting of academic staff
7. Visiting of research fellows and students

The payment or waiving of tuition fees for the exchange of graduate students will be defined by each academic unit for each specific case.

Students participating in the exchange shall, at their own expense, obtain insurance health coverage during the duration of the stay. This insurance shall meet the specific requirements of UK and Colombia respectively, and comply with their immigration law.

This Memorandum becomes effective from the date of the signatures below and will be in existence for a period of 5 years, unless one party gives notice three months in advance that it wishes to amend or terminate the agreement and subject to sufficient funding being available to sustain activities. Agreement can only be extended by act signed by both parties before the expiration date.

For this purpose, the responsible parties will be the President and Principal of Queen Mary University of London and the President of Universidad de Antioquia.
